[TEST BROADSHEET] GUJARAT APPROVES RS 500 CR CLEAN ENERGY CORRIDOR

Special State Cabinet Session Sanctions 750 MW Mega Solar Infrastructure Project Across Saurashtra Region

[SOLAR ENERGY PARK - BROADSHEET PHOTO COVERAGE]

Gandhinagar high-level cabinet approves solar transmission grid by March 2027.

GANDHINAGAR (Special Bureau):

In a landmark cabinet decision convened today at the state capital, the Government of Gujarat officially approved an extensive clean energy initiative entailing an investment of Rs 500 crore. The broadsheet report highlights a target generation capacity of 750 megawatts across northern districts.

The industrial corridor connecting Mumbai and Ahmedabad will directly benefit from the high-voltage transmission infrastructural upgrades.

Phase 1 execution is scheduled for operational commissioning by March 2027.

MUMBAI CITY BRIEFS

- Western Railway announces 15 new air-conditioned suburban services.
- Municipal corporation completes pre-monsoon storm-water audit.
- Stock exchange indices close with steady gains in afternoon trading.
